## Billing Specifics

| <b>Cost:</b>                                    |                  |
|---|------------------|
| <b>Traditional 3-Week Program—4.5 hours/day</b> | <b>\$6397.00</b> |
| <b>New 4-Week Program—4.5 hours/day</b>         | <b>\$8532.00</b> |
| <b>New 2-Week Program—4.5 hours/day</b>         | <b>\$4262.00</b> |
| <b>New 1-Week Program—4.5 hours/day</b>         | <b>\$2127.00</b> |

A \$500 deposit is required with registration to reserve your child's spot and is non-refundable within 90 days before the start of the program. If a deposit is not received to secure your reservation, your spot will become available to someone else.

## Will my insurance pay for this program?

Team Rehab cannot guarantee benefits or provide information regarding reimbursement from your insurance as it all depends on your benefit contract and can vary depending on said contract. It is each family's responsibility to communicate with their insurance company regarding participation in the program, limitations to benefits and reimbursement. Team Rehab can provide you with an example of itemized billing so that you can communicate with your insurance company and might know in advance what to expect for reimbursement. Because SUIT Therapy, specifically, is a new, unique technique, many insurance companies consider it non-traditional.

**Effective August 1<sup>st</sup>, 2009 Team Rehab will bill all insurance types for our Euro Team participants.** Insurance claims will be billed on a weekly basis as each week of the program is completed. A response from the insurance company typically arrives in 3-4 weeks, at which time Team Rehab will provide you with an invoice and copies of your insurance companies Explanation of Benefits outlining reimbursement. If there is a discrepancy in reimbursement or an unexpected denial it is your responsibility to communicate with the insurance company regarding reprocessing claims. You should expect that all claims will have processed within four weeks of completing the program at which point we can determine your financial responsibility, payment is expected within 14 days of receipt of this final invoice. Team Rehab offers two payment options: 1) Pay the outstanding balance to Team Rehab in full 2) Establish a monthly payment plan. The minimum payment excepted is 15% of the outstanding balance and is due the 15<sup>th</sup> of each month. A 5% monthly interest rate will accrue on the outstanding balance. If payment is not received further action may be taken.
